

Temporary Tents

Building Permit Requirements

This checklist and sample drawings have been provided to assist in summarizing the typical requirements to obtain a temporary tent permit in the Town of Collingwood. Additional information may be required as needed depending on the application type and individual circumstances.

Required Application Forms

- [Building Permit Application Form including Schedule 1 Designer Information](#)
- [Owner's Authorization Form \(Required if Applicant is not the Owner\)](#)
- [Commitment to General Review Form](#) (see below)
- [Applicable Law Checklist](#)

Required Drawings and Information

- A detailed Site Plan showing the location of the proposed tent(s) or group of tents, setback from property lines.
- Certificate of Flame Spread Resistance
- Adequate sanitary facilities provided
- Refer to the Temporary Tents Building Permit and Approvals Guide

Requirements for a Professional Engineer

In accordance with the Ontario Building Code, a professional engineer shall be obtained under the following circumstances:

- Tents Greater than 225m²
- A group(s) of tents (spaced less than 3 m apart) with an aggregate area greater than 225m²
- Tents that contain bleachers or tents that are enclosed with sidewalls

Required Approvals from other Agencies

In many instances before a building permit application can be processed and a permit issued, there are other approvals from other agencies that are required. These approvals are not administered by Building Services. Please ensure all required approvals are complete using the [Applicable Law Checklist](#).

Building Permit Fee \$125.00/property

Submit Your Permit Application!

There are two ways you can submit your permit application:

1. Electronic submission through our [e-Permit service](#) or email to building@collingwood.ca. Please refer to our [Electronic Submission Process Guide](#); or
2. In person at our office located at [55 St. Marie Street, Unit 301 Collingwood](#).

Next Steps Submit the complete permit application and supporting documents to Building Services. Application is reviewed for completeness, compliance with the building code and Applicable Law. Application review comments are provided during review to identify any outstanding requirements and to summarize permit fees. Permit issued when review is complete and all fees are paid. Installation of tent(s) may begin, and inspections scheduled. Building Inspector reviews installation of tent and occupancy permit issued.
