PREFACE

THE PUBLISHER, in presenting his First Edition of the TOWN OF COLLINGWOOD DIRECTORY, begs to thank the people of Collingwood for the liberal support he has received. Every means has been taken to render the new Directory accurate and up-to-date in every detail known by progressive Directory Publishers. The work will be published by me every two years and I hope merchants and business men generally, who want the very best will reserve their orders till they see me. Wishing them and the town a substantial advance in everything that conduces to a town's prosperity.

I remain,

HENRY VERNON,
PUBLISHER AND COMPILER,
127 Jackson St. West, Hamilton.

February, 1910.
