Tentative Agenda Items List *subject to change

The Agenda Items List provides a glimpse of what's coming to a future Council and Committee of the Whole meeting. By providing this list in advance of an agenda being published, council and the public are better able to stay informed of what is coming up for discussion, ask questions of staff in advance to a meeting and submit a formal deputation request before the deadline.

This list is provided for information purposes only and is subject to change. Updates to this list will be published on a bi-weekly basis.
