

QUALIFIED CONTRACTOR REGISTRY

Only those persons listed in the Authorized Functions List (see By-law 2017-056, Schedule A) and prequalified with the Town of Collingwood shall carry out the corresponding functions set out in the list.

Note: The Qualified Contractor Registry is a list of Businesses, who have provided documentation to the Town of Collingwood, demonstrating that they possess the required training and valid documentation to be able to perform functions as described by CSA B64.10-11. This Registry is in no way a recommendation of work or a warranty of work in any way, by the Town of Collingwood.

Please note that work performed by contractors who are not included in the Qualified Contractor Registry will not be accepted, however contractors are invited to contact the Backflow Prevention Officer prior to performing work, for inclusion into the registry. For more information, please contact the Backflow Prevention Officer at 705-445-1030 ext. 3321.
