Building Department

- 1. Building Code and Related Standards. A full review for compliance with the Ontario Building Code, related standards and applicable law will be completed at the time of the application for a building permit with same being processed within the prescribed timeframes as required by the Building Code Act.
- Applicable Laws & Building Permits Approvals from other agencies are required in many instances before a building permit can be processed and issued. These approvals are not administered by Building Services. The fastest way to obtain a building permit is to ensure all of these other approvals are completed (or do not apply) before applying for a building permit. Building Services is required by law to prioritize applications that are fully complete in terms of applicable law approvals and document submissions. Building permit documents must be consistent with applicable law approvals. Please refer to our Applicable Law Checklist for more information.
- 3. E-Permits. All building permit applications, drawings and supporting document shall conform to the e-Permit Document Guidelines and be submitted through the Town's e-Permit Services.
- Pre-Consult. We encourage a pre-consultation meeting with Building Services prior to the submission of your building permit application to ensure the application is complete as possible to avoid processing delays.
- Civic addressing will be assigned by Building Services in accordance with By-law No. 2013-046
- 6. Signs. All signage shall comply with the Town of Collingwood's Sign By-law No. 2012-110 and sign permit(s) shall be obtained from the Chief Building Official where applicable.
- Fees and Charges. All building permit fees and applicable development charges shall be paid prior to issuance of a building permit.

Please refer to the Building Services website for more information or contact us at building@collingwood.ca

The Owner/Applicant/Agent acknowledges and agrees that:

All required application fees shall be paid in cash or by cheque made payable to the Town of Collingwood at the time of submission of the application. In the event that the prescribed fees are not paid in full at the time of submission the application shall be deemed incomplete.

Contingency fees will be used to cover any costs associated with this application when deemed necessary by the Town of Collingwood, i.e. professional consultants and legal advice. Any portion of the contingency fee not used in connection with the review and completion of an application will be returned. The applicant further agrees to pay any additional costs and expenses beyond the initial contingency fee, which shall be determined by staff of the Corporation of the Town of Collingwood in the event that the amount of the initial contingency fee taken is insufficient.

In addition, under exceptional site circumstances, the Town may require further or other reports which it determines are necessary to address such exceptional circumstances which may or not be sent directly to the agency.

All Costs incurred by the municipality in engaging peer review consultants in order to evaluate the proposal and supporting submissions shall also be bourne by the applicant.
