Blue Mountain Centre
Collingwood, Ontario
Our Reference #19-000-082

Dear Sir;

In regards to the Site Plan Approval Application, we advise that the site lighting is existing and to remain with only 1 minor relocation to suit proposed building location and parking rework. New building light being added will not affect the existing lighting conditions or add any additional glare to adjacent properties. All existing Lighting is Full Cut-Off (Dark Sky Friendly) Classification as recognized by IESNA or IES.

Yours very truly,

HAMMERSCHLAG & JOFFE INC.

Brad Bell, P. Eng.
