4. Training in WHMIS, Confined Space Entry, Working at Heights, ladder and lift device.
5. Working knowledge of the Occupational Health & Safety Act, Public Pools Regulations, and Corporate and Division policies and procedures. Working knowledge of pool/splash pad maintenance and equipment operation, and chemical/water treatment testing.
6. Good communication, interpersonal, time management, and public relations skills, together with the ability to use tact and discretion and to deal courteously and effectively with the public and fellow staff members.

Position Description

Operator, Splash Pad

7. Ability to multi-task, cope with interruptions and work under pressure to meet multiple deadlines, exercise discretion and good judgment. Possess initiative and personal integrity.
8. Physically capable of performing the required functions of the position (e.g., standing, walking, skating, lifting, pushing, pulling), operating cleaning equipment, working in an arena (cold) and pool (warm) environment with water hazard. and wearing the applicable personal protective equipment (e.g., respirator, harness).
9. Working knowledge of Microsoft Windows and Microsoft Office (Excel, Word, PowerPoint, Teams), and office equipment.
10. Willing and available to work days, evenings, weekends, and holidays.
11. Valid Class "G" driver's license and current Driver's Abstract with results satisfactory to the Employer. Ability and willingness to travel within the community as required.
12. Possess a current Criminal Record & Judicial Matters Check (Level 2) with results satisfactory to the employer, and a valid standard first aid & CPR/AED Level C certification.

Physical Demands and Working Conditions

Physical Effort: The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Physical demands require considerable standing, moving, walking, and occasional lifting (e.g., mop bucket, snow shovelling), climbing (e.g., onto ice resurfacer) and ladder climbing. The position uses the following tools and equipment: 60 metres of 5 centimetre hose for flooding ice, plexiglass (1.2 x 1.2m, 22 kg) or tempered glass (350lbs.) (usually 2 – 3 person lift), hand and power tools, (e.g., grinder, vacuum, wrenches, etc.), power and manual cleaning equipment and tools (floor scrubber, multi-surface cleaner, power washer, pool vacuum, mops, buckets, push broom, etc.), rubber gloves, leather gloves, steel toe boots, ear protection, face mask/respirator, and step and extension ladders.

Normal hours of work are forty (40) hours per week on a rotating schedule that includes days, evenings, weekends, and holidays. Normal shifts are ten (10) hours with a thirty (30) minute unpaid meal break. Flexibility in scheduling is necessary as there may be the occasional requirement to change shifts, respond to urgent matters, or work extra hours as needed.

Physical Environment: Work is conducted in (a) an indoor environment within an enclosed arena or aquatic facility with constant exposure to cold or hot/humid

Position Description

Operator, Splash Pad

conditions, loud noises, chemicals, and water hazards, and (b) an outdoor environment with constant exposure to hot/humid temperatures, inclement weather, and pollens. Exposure to hazards includes chemicals, cleaning supplies, as well as potential exposure to biohazards, human waste, sharps, debris, dust and dirt resulting in minimal discomfort. May work at other recreation facilities as assigned.

Sensory Attention: Limited sensory attention, using usually one to two senses at a time under normal use.

Stress: Limited mental stress, in normal situations with limited pressure where the seriousness of the outcome is limited. (75%) Occasional exposure to dissatisfied patrons. (25%)
