Rainbow Crafts

THRUMB PRINT RAINBOW

Use paint colours and your thumbprint to create a rainbow. You can also try cotton balls or a sponge.

FOOD RAINBOWS

Can you name a fruit or vegetable from every colour of the rainbow?

- Create a fruit and veggie rainbow platter
- Find pictures of fruits or veggies of different rainbow colours in a magazine and cut-out to build a rainbow collage

BUTTON RAINBOWS

Use buttons, scrap paper, fabric, beads or other things you might have around the house to build a rainbow masterpiece.

Glue your objects onto a paper plate cut in half for the perfect rainbow shape.
