

WATER

Scavenger Hunt

Follow the Harbourview Trail

As you follow the trail explore the interpretive signs. What fish can be found in Georgian Bay?

Collingwood Harbour

The Collingwood Harbour was once the home of the shipyards. Explore the interpretive signs and old machines located next to the lighthouse replica. Here you will find what year the Collingwood Shipyards closed.

Harbourview Park

Snapping turtles nest in Harbourview Park. How many signs have been placed around the Labyrinth to warn visitors of turtle nests ?

Harbourview Park

At the end of Birch St. you will find the new accessible boat launch. Quite close you should see a Trail feature sign about the historic swim across Georgian Bay. How long did the swim take?

Sunset Point

What year was the water treatment plant built

Millennium Point

How many replica hull plates are embedded into the sidewalk along Millennium Drive (east side)

Millennium Point

Follow the trail to the tip of Millennium Point. From here you can clearly see the Nottawasaga Lighthouse. Who was the lighthouse keeper from 1859-1890?

Collingwood Museum

What is the name of the ship shown in the photo on the museum window? What happened to this ship?

Sunset Point

At the entrance to Enviro Park sits a colourful bench. What is the quote on the bench?
