Dear Clerks office,

Thank you for accepting this application,

I am applying for the open position in town council. I am doing so because I love this town. I am from Collingwood and I care deeply about its future. I am constantly saying to anyone who will listen that it is the best town in Canada. Based on the number of visitors and new Collingwood residents many others share my opinion. This town is growing and changing, I believe I can help it grow and change in a positive way. Owning and operating a plumbing company has helped me develop some critical skills to accomplish this; Financial acumen, customer service and a growth positive mindset for my employees and clients alike. This town has given me so much, a beautiful home an economic climate in which to grow a company and a fantastic place to raise my young family. I would now like the opportunity to give something back.

Respectfully yours,

Derrick Cummins
