

# TOILET REBATE PROGRAM

Replace up to two residential toilets with low- or dual-flush models and receive a \$50 rebate for each on your next water bill.

## HOW TO APPLY:

1. Install your new low- or dual-flush toilet and dispose of your old one in an environmentally-responsible manner.
2. Complete and drop off or mail the attached [application form](#), along with a copy of your original bill of sale for the toilet to:  
Toilet Rebate Program  
43 Stewart Road  
Collingwood, Ontario L9Y 4M7
3. Once verified, a credit will be applied on your next water bill. Please allow 4-6 weeks for your credit to be processed.

## TERMS AND CONDITIONS:

- 1. Eligibility**
  - To be eligible the residence must:
    - o Be located in Collingwood;
    - o Have a water account with the Collingwood Public Utilities;
    - o Replace a high-flow fixture (greater than 6 litres per flush) with a low- or dual-flush model from the ecoENERGY-approved model list. Please note: this rebate does not apply to toilets being installed as part of additions or new construction. Rebates are valid for low- or dual-flow toilets bought and installed after July 1, 2009.
- 2. Conditions of Payment**
  - Payment will be applied to your water bill once all relevant paperwork has been received and processed.
  - Please allow 4-6 weeks for the credit to be processed.
- 3. Proof**
  - Applicant must provide the Collingwood Public Utilities with a dated original sales receipt for the toilet.
  - An inspection by a Collingwood Public Utilities employee may be deemed necessary as further proof that the toilet has been installed. The customer must grant a CPU employee access during our regular business hours.
- 4. Applicant Responsibility**
  - The applicant must assume all financial responsibility for:
    - o Installing the toilet;
    - o Any plumbing work that is required for proper installation;
    - o Proper disposal of the old toilet.
