

# COMPANION TO THE ORDER RECIPIENT

## Norman Joseph Wingrove

Norman received the Order of Collingwood in 2010.

Norman grew up on a farm in Norfolk County with a cold-water trout stream running through it and a forest, so he became interested in our natural environment at early age. After moving to Collingwood in 1975, Norman joined the Dufferin Hi-Land Bruce Trail Club becoming a Trail Captain and participating in many volunteer work parties doing trail maintenance and improvements.

While working at the Nottawasaga Valley Conservation Authority, Norman was a member of a local grass-roots group formed in 1994 that became the Blue Mountain Watershed Trust Foundation. Norman has been a BMWTF Board member for 26 years, serving as Secretary, Treasurer and President. Norman was a volunteer ski patroller at Georgian Peaks with the Canadian Ski Patrol from 1984 to 2002.
