Collingwood Community Trails

Welcome to the Collingwood Trails Network. The over 60 kilometres of Collingwood trails are off road, multi-use paths that range from wheelchair accessible routes to adventurous and challenging excursions through a variety of changing landscapes and shorelines.

Collingwood's trails are four-season multi-use paths for walkers, joggers and cyclists. They are also very suitable for people with physical disabilities. ATVs and dirt bikes are prohibited.

Colltrans ~ Catch the Spirit!

Colltrans, the Town of Collingwood's public transportation system, provides a convenient alternative to driving within Collingwood. There are 3 regularly scheduled transit routes and the frequency of pickup at the downtown terminal is every thirty minutes. Route maps are available online at www.collingwood.ca or at Town Hall and various other locations.

Bus services operate on all days except statutory holidays. The terminal for Collingwood's public transit is located on the corner of Second St. and Pine St., adjacent to the municipal parking lot at 100 Pine St. Currently, the terminal is located outdoors and is outfitted with two shelters.

Transfers may only be made at the terminal.

Buses are wheelchair accessible and may also be used for mobility scooters, pull behind shopping carts, as well as strollers. All buses also have bike racks which are available at no additional charge. All buses operate on bio-diesel.
